A x 12

4 x 70mm

DK

Vi anbefalder der bruges en fiberdug.
(Fiberdug prikkes, så overskydende vand kan løbe ud).
Købes særskilt
i byggemarkedet.

DE

Wir empfehlen die Verwendung eines Fasertuch.
(Wenn Sie es an einigen Stellen einschneiden, kann überflüssiges Wasser ablaufen).
- Dieser ist separat im Fachhandel zu erwerben.

UK

We recommend using a Fiber tex cloth.
(The Fiber tex cloth is pierced so excessive water runs out.)
- Purchased separately from the DIY store.

F

Nous vous recommandons toujours utiliser un chiffon doux.
(Si vous coupez certains endroits, l'excédent d'eau pourra s'écouler).
- Achetée séparément du magasin de bricolage.
